PROTÉGÉ PROGRAM

ENTER TODAY!

Dancers must be graduating seniors to be eligible. Selected participants attend our National Finals not only as competitors, but as emerging professionals; gaining firsthand experience and insight into the industry from behind the scenes.

Throughout the event, these dancers serve in a variety of integral roles, including assisting with awards ceremonies, demonstrating in master classes, working backstage, and emceeing sessions. This immersive experience provides valuable leadership development and professional exposure.

Many former protégés have gone on to join the CRU Dance staff, continuing their journey with us as part of our professional team.
